

Council highlights presented to the community on the last Friday of every month

## Leisure Centre Updates

### SWAN HILL AQUATIC & RECREATION CENTRE

Members can now benefit from a new dry-fitness room, new gym equipment and new Reformer Pilates Studio! With 24/7 access to the club not far away, either!

The new dry-fitness room boasts 75% more floor space, more weights equipment, functional training space, recovery zone, new group fitness equipment and body scanner.

### ROBINVALE RECREATION & AQUATIC CENTRE

Gym extension works are well underway to increase the size from 120m<sup>2</sup> to a whopping 420m<sup>2</sup>! Once finished, the gym will offer members new equipment and virtual group fitness workouts! Wow!

Splash park construction underway, once complete the splash pad will include elements sure to entice kids of all ages.

## IN THE WORKS

Robinvale Skatepark project is making great progress and is anticipated to be complete ahead of schedule.

Well done to the Parks and Gardens team, who had our ovals looking pristine for footy finals. Great job – we love your work!

Tresco West Road and Fish Point Road in Lake Boga have recently seen works to re-surface and widen 2.3km and 1.3km stretches of road, respectively.

### ARNOLD MAKES A SPLASH!

Our Giant Murray Cod, affectionately known as Arnold, has made his way onto a new release of collectible coins and post stamps.

He is one of ten iconic “Big Things” to make the cut and will help promote tourism to our wonderful town.

Don't let this one get away - reel yours in online or at your local post office, today.
