

RURAL CITY COUNCIL News

Council highlights presented to the community on the last Friday of every month

IN THE WORKS

RIVER VIEWING PLATFORM AND BOARDWALK

Council has been delighted by the wonderful community feedback on the completion of the River Viewing Platform and Boardwalk – a beautiful new resource for our region.

LAKE BOGA FLOATING PONTOON

Renovation works to the Lake Boga Floating Pontoon are underway.

RONALD STREET HOUSING PROJECT

Stage two of the Ronald Street Robinvale housing project has commenced.

This project will see the construction of another four houses, in addition to the four homes recently built and sold.

ART GALLERY REDEVELOPMENT

The Art Gallery redevelopment construction tender is now available for interested parties!

Council will also be releasing the construction tender for the Swan Hill Tourism and Cultural hub in the coming months - providing an additional opportunity within the municipality for contractors!

PROACTIVE WORKS UNDERWAY

Ongoing maintenance, resealing, grading, patching works and line marking continues to be conducted right across our municipality.

WILLOW TREE REMOVAL AND PLANNED BURN

We recently completed works to remove several Willow trees and conduct a planned burn along the Little Murray River. These works were aimed at curbing the spread of weeds and enhancing safety for boat users.

LIGHTS AT SWAN HILL WATER TOWER A PERMANENT FEATURE

The Swan Hill Water Tower has been lit up of an evening since December 2023. The lights will now be a permanent feature impressing locals and visitors.

ULTIMA DRINKING FOUNTAIN

On Friday, 12 April from 11.30am GWM will be hosting a celebration for the Ultima community, following the recent water upgrade.

During the event a new drinking fountain and refill station will be unveiled by Council.
