SECTION	I.G. – IN CAMERA ITEMS	37

#### SECTION A - PROCEDURAL MATTERS

•	Open

Mayor, Cr Les McPhee assumed the chair and declared the meeting open at 7pm.

# Acknowledgement of Country

Mayor, Cr Les McPhee read the Acknowledgement to Country.

### Prayer

Cr Kiley read the prayer.

# Apologies

Cr Katis

10/14 Motion

**MOVED Cr Kiley** 

That the apologies be accepted.

# **SECONDED Cr Adamson**

The Motion was put and CARRIED

#### Confirmation of Minutes

1) Ordinary Meeting held on 20 May 2014

**11/14 Motion** 

**MOVED Cr Cruickshank** 

That the minutes be confirmed.

**SECONDED Cr Crowe** 

- Declarations of Conflict of Interest
- Receptions and Reading of Petitions, Memorials, Joint Letters and Deputations
- Public Question Time

# SECTION B - REPORTS

# B.14.30 QUARTERLY REVIEW OF FINANCIAL PERFORMANCE AND FINANCIAL POSITION TO 31 MARCH 2014

Responsible Officer: Director Corporate Services

File Number: 42-20-00

Attachments: 1 Statement of Income & Expenditure 31-3-14

2 Summarised Balance Sheet as at 31-3-14

**Declarations of Interest:** Officer

David Lenton - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

A review of Council's Financial Performance (income and expenditure) and Financial Position (balance sheet) to the adopted Budget for the nine months to 31 March 2014 has been conducted and the results are summarised in this report.

#### Discussion

A summarised Statement of Income and Expenditure and a summarised Balance Sheet for the nine months ended 31 March 2014 are included with this report.

Major variations to budget as at 31 March 2014 are explained by way of notes on the attached report.

The forecast result is expected to be better than budget. The predicted surplus assumes completion of Major Projects and Capital Works during the last three months of the financial year within budget. The forecast result excludes any possible costs from the organisational restructure.

Significant forecast variations to budget include:

		Forecast ances	Current Forecast Variances			
Rates Early Payment Discount	\$92,600	Unfavourable	\$92,600	Unfavourable		
Grants Commission	\$23,900	Favourable	\$23,900	Favourable		
Income Grants/Charges received13/14– expected 12/13	\$2,211,000	Favourable	\$2,211,000	Favourable		
Workcover costs	\$113,400	Unfavourable	\$128,200	Unfavourable		
Rates	\$42,400	Favourable	\$42,400	Favourable		
Employee Costs	\$196,600	Favourable	\$297,000	Favourable		
Interest on Investments & Rates	\$62,000	Favourable	\$116,500	Unfavourable		
Loan Repayments and Loan Interest	\$130,000	Favourable	\$95,200	Favourable		
Parking Enforcement	\$30,000	Unfavourable	\$29,000	Unfavourable		
Regional Livestock Exchange (net)	\$20,000	Favourable	\$20,000	Favourable		

			 	_
i	_	•		

Fire Services Levy	\$33,000	Unfavourable	\$12,700	Unfavourable
Town Hall Usage Fees	\$30,000	Unfavourable	\$26,000	Unfavourable
Building Permit Income	\$30,000	Favourable	\$38,000	Favourable
Additional Costs Depot Office Building	\$22,900	Unfavourable	\$22,900	Unfavourable

Library Grants & Contributions	\$14,200	Favourable	\$9,800	Favourable
Pioneer Settlement (net result)	-	-	\$89,900	Unfavourable
Other Variances (net)	\$7,100	Unfavourable	\$30,100	Favourable
Variations to 2013/14 Budget	\$2,319,800	Favourable	\$2,347,000	Favourable
Less: Grants owing from Previous Year	\$2,267,700	Unfavourable	\$2,267,700	Unfavourable
Net Variation to 2013/14 Budget	\$52,100	Favourable	\$79,300	Favourable

# Consultation

Consultation occurred as part of the Budget preparation process.

# **Financial Implications**

The report shows a predicted rates determination surplus of \$79,300 better than budget for the 2013/14 financial year.

Possible costs resulting from the organisation restructure are not included in the above amount.

# **Social Implications**

Not relevant to this item.

# **Economic Implications**

Not relevant to this item.

# **Environmental Implications**

Not relevant to this item.

# **Risk Management Implications**

The anticipated surplus is subject to income and costs trending as expected over the final three months of the year.

# Council Plan Strategy Addressed

**Responsible management of resources** - We will continually improve the management of our finances, assets, systems and technology to achieve and maintain Best Value in our operations.

# **Options**

Nil

# Recommendation

That Council note the contents of this report.

12/14 Motion

**MOVED Cr Norton** 

That Council note the contents of this report.

**SECONDED Cr Kiley**

- 1 Due to changes in the payment processing of CACP grants, funds from January to March had been delayed. The outstanding grants were received on the 1st of April.
- 2 Non-Recurrent Grants includes funding for the Swan Hill Aerodrome (\$6.425M), Heartbeat of the Murray (\$1.125M) and Chisholm Reserve Upgrade (\$2.0M). The forecast allows for these to be received throughout the year, but these grants are yet to be secured.
- 3 Contributions Cash Non-recurrent is currently above forecast due to the contribution for the Swan Hill Community Hub (\$341K) being received. The forecast had allowed for this to be received throughout the year. Contributions for the Heartbeat of the Murray and Chisholm Reserve are only expected to be received once the funding has been secured.
- 4 Reimbursement of insurance costs from sporting/community groups that occupy Council buildings have been charged for 2013/14. The forecast allowed for the collection of this income over the financial year. Reimbursements for Paid Parental leave are \$25K above forecast and \$33K of insurance claims on Council buildings have been received.
- 5 As at 31 March 2014 Council had accrued \$104K of interest income in addition to the \$301K already received. Due to historically low interest rates, the income received on investments is currently lower than forecast.
- Proceeds from the sale of plant and equipment are \$206K below forecast due to a number of vehicle replacements still to be conducted in the 2013/14 year. Sale of Council land is currently \$131K below forecast.
- 7 Tower Hill land sales are above forecast.
- 8 The payments to the CACP and EACH consortium members for January to March were yet to be paid due to payment issues from the funding body. Refer note 1.
- 9 The loan budgeted to be borrowed in June 2013 was not required, resulting in a lower than forecast interest expense this year.
- 10 This variance can be attributed to software licence fees that had been forecast over the financial year, however the licence fees are paid upfront at the beginning of the year.
- 11 A number of significant roads works were nearing completion at the end of March. Projects on Woorinen Road, Culgoa-Ultima Road and Lake-Boga Ultima Road are expected to have contractor payments made in April and the resealing program is expected to be complete in April. A significant project on Karinie St has also just begun.

- 1 The use of reserve cash for capital works in 2013/14 and flood recovery funds still outstanding at the end of March.
- 2 This value will be reduced upon the receipt of the May rate instalments.
- 3 The continued sales of Tower Hill land has reduced the value of land held for sale.
- 4 Other Assets represents GST due to Council.
- 5 Timing issue
- 6 The majority of this variance is due to the \$54K Council is holding on behalf of the Central Murray Regional Transport Group.
- 7 Council has two loans that are due for renegotiation during 2013/14. One loan for \$718K is to be renegotiated for a further 6 years and the other loan of \$858K is to be renegotiated for a further 5 years. These loans will then show as non current liabilities.
- 8 Revaluations and condition based assessments conducted in 2012/13 resulted in an increase in asset values of sealed roads (\$12.1M), Kerb and Channel (\$1.4M) and Drainage (\$3.7M). Land under roads was also recognised for the first time in 2012/13 which resulted in a \$35.9M increase in Fixed Asset values.
- 9 The value of permanent water rights has decreased.
- 10 Refer note 7.
- 11 During 2012/13, Audit determined that part of the 2011/12 asset valuation changes should have been adjusted through Accumulated Surplus rather than Revaluation Reserves.

#### B.14.31 AUDIT COMMITTEE REPORT

Responsible Officer: **Director Corporate Services** 

File Number: 42-02-03

Attachments: 1 **Confidential Minutes** 

**Declarations of Interest:** Officer

David Lenton - as the responsible officer, I declare that I have no disclosable interests in this matter.

### Summary

Council's Audit Committee met on 29 May 2014 and this report summarises the items that were discussed at the meeting.

#### **Discussion**

The Audit Committee met on 29 May 2014 and as well as the usual procedural items the Agenda items included:-

- 1. A Presentation by Council's IT Manager on the Alfresco Cloud based system.
- 2. An Audit Strategy Presentation from external Auditors
- A discussion on the Interim Management Letter 2013-14 from external 3. Auditors
- 4. The Internal Audit Report – Final Report Food Premises Inspection
- 5. The Internal Audit Report - Swan Hill WorkCover Declaration Insight Report

Points to note from the discussion on these topics are:

- 1. Audit Committee members will be able to access their documentation from the internet cloud reducing the need to print out documents.
- 2. The interim audit has been completed. The testing of systems and processes during the interim visit revealed that controls are working appropriately.
- 3. The interim audit management letter contained only one new item which will be actioned over the next few months. The other items in the interim audit management letter will be cleared when the final audit takes place.
- 4. The Food Premises Inspection Internal audit has been completed. A number of improvements or actions will be implemented.
- The WorkCover Declaration Insight internal audit report was presented. 5. Improved documentation of procedures will result from the report.
- 6. The new Local Government Performance Framework is now in place. Council officers are preparing the Budget to reflect the new requirements and

developing processes to capture the information. The new Regulations will involve more work.

# Consultation

Not required for this item.

# **Financial Implications**

The recommendation in the report will not affect existing resource allocations.

# **Social Implications**

Nil

# **Economic Implications**

Nil

# **Environmental Implications**

Nil

# **Risk Management Implications**

Audits are routinely done to reduce the risk to Council.

# **Council Plan Strategy Addressed**

**Councillor and Staff accountability** - We will represent the interests of our community and will conduct our affairs openly and with integrity, reflecting high levels of good governance.

# **Options**

Nil

#### Recommendation

That Council note the contents of this report.

13/14 Motion

**MOVED Cr Crowe** 

That Council note the contents of this report.

**SECONDED Cr Adamson** 

# **Confidential Attachment**

#### B.14.32 2014/15 DRAFT BUDGET

Responsible Officer: Director Corporate Services

File Number: 42-09-70

Attachments: Nil

**Declarations of Interest:** Officer

David Lenton - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

Councillors and Officers have been working on a draft 2014/15 Budget for a number of months. The draft 2014/15 Budget is now ready to be prepared by Council.

#### **Discussion**

The Local Government Act requires Council to prepare the Budget, invite submission, and then formally adopt the Budget after considering any submissions. The submission period under the Act is a minimum of 28 days.

Council's process to adopt the Budget will be as follows:

- 15 July 2014 Receive and hear submissions at the Ordinary Meeting.
- 22 July 2014 Consider any submissions or amend and adopt the budget if no submissions are received at a Special Meeting held at 12:30pm.
- 29 July 2014 Amend or adopt the Budget at Special Meeting held at 1pm.

These meetings will be conducted at the Swan Hill Town Hall, Council Chambers, McCallum Street Swan Hill.

Once adopted the Budget will establish the financial parameters and targets for the organisation and enable rate notices to be issued.

#### Consultation

The recommendations will enable the draft 2014/15 Budget to be advertised for comment and formal submissions can then be received.

# **Financial Implications**

The 2014/15 Budget will establish the financial parameters within which Council intends to deliver its works and services during 2014/15.

# **Social Implications**

The services to be funded in the draft Budget will have a positive outcome for the community in all areas of the Council Plan.

# **Economic Implications**

As above

### **Environmental Implications**

As above

# **Risk Management Implications**

The Budget enables the financial performance of Council to be better managed and therefore reduce the financial risks to Council.

# **Council Plan Strategy Addressed**

Responsible management of resources - We will continually improve the management of our finances, assets, systems and technology to achieve and maintain Best Value in our operations.

# **Options**

Council may either resolve to prepare the Budget in its current form or make further amendments.

#### Recommendation

That Council advertise the draft 2014/15 Budget and call for submissions in accordance with the Local Government Act 1989.

#### **14/14 Motion**

#### **MOVED Cr Cruickshank**

That Council advertise the draft 2014/15 Budget and call for submissions in accordance with the Local Government Act 1989.

#### **SECONDED Cr Norton**

#### B.14.33 TURTLE LAGOON PROPOSED WORKS

Responsible Officer: **Director Infrastructure** 

File Number: 42-52-65

Attachments: Turtle Lagoon Path Map

**Declarations of Interest:** Officer

David Leahy - as the responsible officer, I declare that I have no disclosable interests in this matter.

### Summary

This report aims to advise Council of planned works to take place at and around Turtle Lagoon, Lake Boga and to seek approval for these works and budgetary expenditure.

#### **Discussion**

# Background

Turtle Lagoon was constructed in 2007 by Council for the express purpose of providing a safe breeding ground for local freshwater turtle populations. The lagoon experienced significant flooding in 2010/11, resulting in erosion of the constructed ponds and bank. Funding has been secured from Regional Development Victoria (RDV) to carry out restoration works on the area, to ensure that it is functioning optimally for turtle habitat and breeding success, while maintaining its purpose as a floodway.

Works had been scheduled to take place in July 2013 as part of the Lake Boga Foreshore Restoration. However, due to a high volume of rainfall and unexpected early flows into Lake Boga, works had to be postponed until lake levels permitted.

# Local Turtle ecology

Ecology Australia Pty Ltd was engaged in February 2014 to provide technical advice and management recommendations, so that the best outcome for local turtle populations could be achieved. The report indicates that the area is functioning as a suitable breeding ground for local turtle populations with several nests observed. Predation by the European Red Fox (Vulpes vulpes) posed the greatest threat to successful turtle breeding. Other threats include road mortality, reduced connectivity for overland migration and interference by public use of the area.

#### Proposed Turtle Lagoon works

From the information received in this report, it was summarised that the engineering works due to take place to increase the outer bank of the lagoon would provide little benefit to the turtle populations.

**SECTION B - REPORTS** 

It would be more cost efficient and beneficial to the turtle population to implement the following management actions:

- 1. Undertake a long term treatment program to reduce the local fox population.
- 2. Construct an informal, gravel pathway from the boat ramp at the east of the lagoon, through to connect with the proposed walking path extension at the west (see below).
- 3. Implement a targeted maintenance program, in partnership with Council's Works department and interested local community groups to address invasive weeds on site.

# Extension of Lake Boga Walking Path

In lieu of spending the RDV funding on reinstatement of the lagoon outer bank, it is proposed that this money be used to continue the Lake Boga Walking Path to the west, from the lagoon to Winlaton Rd (map attached).

#### Consultation

None undertaken at this time.

# **Financial Implications**

\$140,000 is available under the Lake Boga Foreshore Restoration project, funded by RDV.

\$101,375 is available under the *Increase Height of Turtle Lagoon Bank* project, drawn from Council reserves.

# Estimated costs:

RDV funding	
Continuation of walking path	\$140,000
-	
Council reserves	
Fox control program	\$10,000
Weed control program	\$20,000
Gravel pathway	\$10,000

Approximately \$61,000 to be returned to Council reserves.

# **Social Implications**

The current state of the lagoons is not what was originally intended when constructed, with an invasive reed dominating the area. Some members of the community feel that Council is not doing enough to remediate the area. However, the area has undergone a period of negligence following the flooding of 2010/11 and the cost of returning the area to optimal condition would be excessive and would not provide a positive cost-benefit outcome.

# **Economic Implications**

Works to improve the accessibility and amenity of the walking track that currently exists at Turtle Lagoon will draw visitors and locals to the area as a continuation of the Lake Boga Walking Path.

# **Environmental Implications**

Turtle Lagoon is functioning as a suitable environment for local turtle populations. The suggested management actions would reduce threats to these populations and increase the likelihood of breeding success. The benefit of conserving and protecting these local populations is immeasurable.

The Turtle Lagoon area is dominated by Giant Reed (*Arundo donax*). This invasive species is widespread around Lake Boga and surrounding land. Advanced infestations such as this have extensive, vigorous root systems that are difficult to successfully eradicate. Treatment of the reed at Turtle Lagoon is not considered viable within the scope of this project.

# **Risk Management Implications**

Access to the walking path at Turtle Lagoon is limited due to a soft, uneven walking surface and heavily overgrown vegetation. It is necessary to improve this area to ensure the safety of the public.

It is also necessary to ensure that a long term maintenance program is established to minimise future risk.

# **Council Plan Strategy Addressed**

Contributing to good environmental outcomes for the natural environment - We recognise community wellbeing is linked to a healthy, sustainable natural environment. We will reduce any detrimental impact our works and services have on the natural environment and encourage others to do the same.

# **Options**

Nil

#### Recommendations

#### That Council:

- 1. Undertake a long term treatment program to reduce the local fox population.
- 2. Construct an informal, gravel pathway from the boat ramp at the east of the lagoon, through to connect with the proposed walking path extension at the west.
- 3. Implement a targeted maintenance program, in partnership with Councils Works department and interested local community groups to address invasive weeds on site.
- 4. Officers liaise with RDV to alter the proposed works under the Lake Boga Foreshore Restoration funding.
- 5. Use RDV funding to continue the Lake Boga Walking Path to Winlaton Road.
- 6. Use funding under the Increase Height of Turtle Lagoon Bank project to undertake recommendations 1-3, with remaining funds returned to Council reserves.

#### 15/14 Motion

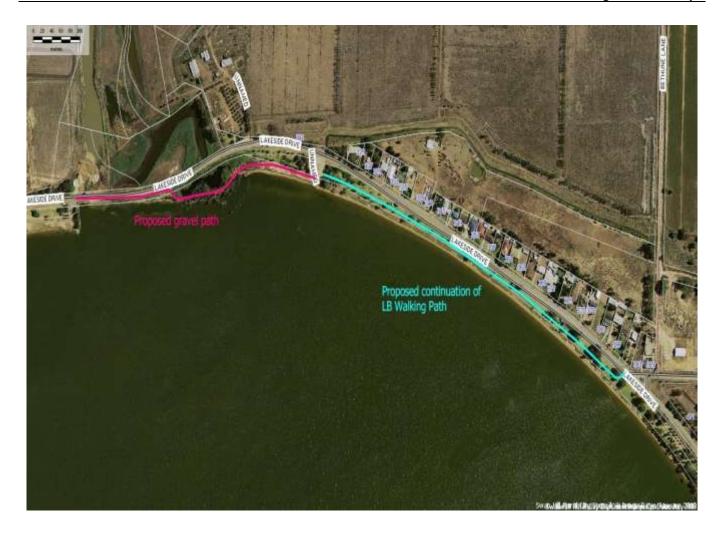

### **MOVED Cr Norton**

# That Council:

- 1. Undertake a long term treatment program to reduce the local fox population.
- 2. Construct an informal, gravel pathway from the boat ramp at the east of the lagoon, through to connect with the proposed walking path extension at the west.
- 3. Implement a targeted maintenance program, in partnership with Councils Works department and interested local community groups to address invasive weeds on site.
- 4. Officers liaise with RDV to alter the proposed works under the Lake Boga Foreshore Restoration funding.

- 5. Use RDV funding to continue the Lake Boga Walking Path to Winlaton Road.
- 6. Use funding under the Increase Height of Turtle Lagoon Bank project to undertake recommendations 1-3, with remaining funds returned to Council reserves.
- 7. Obtain costings for a boardwalk through the lagoon, and refer this to the Major Projects Plan.

SECONDED Cr Kiley

# B.14.34 ACTIVE TRANSPORT STRATEGY 2014-2034

Responsible Officer: Director Infrastructure

File Number: 42-52-206

Attachments: 1 Draft ATS

**Declarations of Interest:** Officer

David Leahy - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

The Active Transport strategy (ATS) aims to make walking, cycling and using public transport easier for more trips in the Swan Hill municipality. The ATS is a 20 year strategy, with a four year implementation plan in line with the Council Plan review timeframe.

# **Discussion**

Background - Swan Hill Rural City Council was approached by Robinvale District Health Services (RDHS) aiming to highlight the need for a more collaborative approach to address high numbers of lifestyle diseases within the municipality. As a result Council partnered with RDHS and Swan Hill District Health in 2011 and were successful in receiving funding through the National Partnership Agreement on Preventative Health to deliver community-based physical activity programs, as well as developing improved policy environments, an Active Transport Strategy (ATS) in particular, to support healthy lifestyle behaviours.

The ATS will replace the current Swan Hill Strategic Bicycle Plan – Final Report (2007).

#### Consultation

Surveys, meetings and presentations were used to collect data from the community. All town community planning groups were provided the opportunity to provide information and 277 surveys were completed across the municipality.

# **Financial Implications**

The ATS Implementation Plan (2013-2017) is identified in existing budgets and staff roles unless the need for external funding is indicated. Actions addressing improvements in current practices will be considered as part of future infrastructure renewal and upgrade works.

# **Social Implications**

Active transport is the most economically accessible form of transport. An environment that deters walking and cycling can contribute greatly to inequity in our communities. The implementation of an ATS will assist the community increase levels of physical activity, reducing the rates of lifestyle related diseases such as obesity and type 2 diabetes. It will also increase opportunities for residents without independent access to cars (all children, many older people and the economically disadvantaged) which will increase quality of life and ability for more people to become more involved in the wider community.

# **Economic Implications**

A Sydney study found that investing in cycling gave an approximate return of \$4 on every dollar spent, compared with just \$2 for road projects.

Benefits include reduced wear on roads, reduced traffic congestion, improved liveability, improved tourism opportunities, increased productivity and reduced healthcare costs.

# **Environmental Implications**

The ATS will increase access to and promote sustainable transport options (walking, cycling and public transport).

#### **Risk Management Implications**

Actions will be implemented as per Australian Standards and best practice guidelines (see Appendix 2 of ATS).

# Council Plan Strategy Addressed

Facilitate and provide services for health and wellbeing - We will provide or facilitate a range of services that maintain community health, and provide opportunities and infrastructure that contribute to the educational, recreational, cultural and leisure needs of our community.

#### **Options**

N/A

#### Recommendation

That Council present the Draft Active Transport Strategy 2014-2034 for a 21 day public comment period.

16/14 Motion

# **MOVED Cr Adamson**

That Council present the Draft Active Transport Strategy 2014-2034 for a 42 day public comment period.

**SECONDED Cr Kiley**

#### B.14.35 FINANCIAL ASSISTANCE GRANTS - FEDERAL BUDGET

Responsible Officer: Chief Executive Officer

File Number: 42-43-00

Attachments: 1 ALGA Document

**Declarations of Interest:** Officer

Dean Miller - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

This report recommends that Council ask the Federal Government to reverse its decision not to index Financial Assistance Grants.

#### **Discussion**

The federal budget was handed on Tuesday 13 May. It proposes a significant reduction in real terms in the financial assistance grants (fags). Currently the Government indexes fags with movements in the consumer price index and adjusts for population growth. The federal budget proposes no indexation for the next three years.

The accumulative cost to Swan Hill Rural City of this proposal will be \$1.55 million over the next four years, and result in a permanent reduction in our grant allocation of about \$500,000. The permanent reduction in our grant equates to about 2 percent of Council annual rate revenue.

The accumulative effect of these cuts to all Victorian councils is equivalent to 95 percent of the *Roads to Recovery* grants provided by the Commonwealth.

#### Consultation

The Municipal Association of Victoria is working with the Australian Local Governance Association to implement an advocacy campaign to reverse key funding cuts to local government.

#### **Financial Implications**

If these measures are not reversed, Council will need to either increase rates revenue by another 2 percent or cut expenditure by \$1.55 million over four years.

# **Social Implications**

N/A

# **Economic Implications**

The economic impact of the federal budget will be a permanent loss of \$500,000 from our local economy, which could be up to \$5 million taking into account the multiplier effect.

# **Environmental Implications**

N/A

# **Risk Management Implications**

N/A

# **Council Plan Strategy Addressed**

**Councillor and Staff accountability** - We will represent the interests of our community and will conduct our affairs openly and with integrity, reflecting high levels of good governance.

# **Options**

N/A

# Recommendations

That Council write to the Prime Minister, the Federal Treasurer, and the Member for Mallee seeking a reversal of the reduction in financial assistance grants.

#### **17/14 Motion**

# **MOVED Cr Cruickshank**

That Council write to the Prime Minister, the Federal Treasurer, and the Member for Mallee seeking a reversal of the proposal not to index financial assistance grants.

M. Y. C.	EA			/	
	æ,	DCS		6.05	
			and the second s		

Dear Mayor

I am writing to you and the mayor and shire president of every council across Australia to ask you to join the Australian Local Government Association's (ALGA) call to have the Government restore the indexation of the local government Financial Assistance Grants (FAGs) which has been frozen for three years until 2017-18.

The decision to freeze the indexation of the grants, announced in the Budget last week, will cost councils an estimated \$925 million in FAGs by 2017-18. Unfortunately, the impact will continue beyond that date because the base level of FAGs will be permanently reduced by over 12%. In 2017-18 the estimated reduction in FAGs will be \$321 million. Even if indexation is restored in 2017-18 (at an estimated 4.2%, which reflects CPI and population growth), the gap will continue to widen and FAGs will be about \$334 m less in 2018-19 and almost \$350m less in 2019-20.

In fact, by 2018-19 when the current extension of Roads to Recovery (R2R) is due to end, the loss of FAGs will be the equivalent of 95% of R2R funding. Almost the entire value of the R2R program will be lost.

The FAGs are a vital part of the revenue base of all councils. For many smaller rural and remote councils, FAGs form the majority of their revenue. These councils are likely to be hit hardest by the reduction in grants.

The FAGs are absolutely essential to allow local communities across Australia to provide a reasonable level of services and infrastructure to local residents. These grants are used to maintain a great range of infrastructure including local roads, bridges, parks, swimming pools, libraries and community halls as well as services to the young, the elderly and community groups of all kinds.

ALGA has been fighting to have the value of the FAGs restored to a level equivalent to 1% of tax revenue, the level they were at when John Howard came to power in 1996. In recent years they slipped to 0.7% but we are shocked to see that they will decline to just 0.53% by 2017-18.

8 Geits Court Deakin ACT 2600 - ABN 31-008-613-876 - PROME 02-6122-9400 - FAX-02-6122-9401 - FMX: - alga@alga.asn.au - Wide www.alga.asn.au

# Doc ID 458440 Printed from Infovision EDMS at: 10:46AM on Wed 04 Jun 2014

The Government's decision will have a major impact on local services and infrastructure and it is possible that the Government has not fully comprehended the likely impact on communities and the unintended consequences of such a decision. This must be brought home in a factual and clear way to all Coalition Federal Members and Senators. I believe that this would best be done by local mayors and shire presidents writing to their Federal Government representatives, highlighting the implications of the decision for local services and asking Coalition representatives whether they continue to support the decision. I would hope that many Federal Government members would recognise the severe impact on their communities and support a review of the Government's decision.

On a related issue, ALGA is convening its 2014 National General Assembly in Canberra from 15 to 18 June. This issue is expected to be uppermost on the agenda for the Assembly and I urge you, or another representative of your council, to attend the Assembly so that together we can send the strongest possible message to the Government about the need to restore indexation of the FAGs.

Yours sincerely

Mayor Felicity-ann Lewis

President

#### SECTION C - DECISIONS WHICH NEED ACTION/RATIFICATION

#### C.14.9 SIGN AND SEAL REPORT

Responsible Officer: Chief Executive Officer

Attachments: Nil.

**Declarations of Interest:** Officer

Dean Miller - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

The following documents and agreements have been signed and sealed by the Councillors and the Chief Executive Officer on the respective dates. Those actions require the ratification of the Council.

#### **Discussion**

During the course of any month Council is required to sign and seal a range of documents arising from decisions made on a previous occasion(s). Examples include sale of land, entering into funding arrangements for Council programs etc.

As the decision to enter into these agreements has already been made, these documents are signed and sealed when received, with Council ratifying the signing and sealing at the next Council meeting.

# C.14.10 COUNCILLOR ASSEMBLIES - RECORD OF ATTENDANCE AND AGENDA ITEMS

Responsible Officer: Chief Executive Officer

File Number: 22-13-12

Attachments: 1 Councillor Assemblies - Record of Attendance

and Agenda Items

**Declarations of Interest:** Officer

Dean Miller - as the responsible officer, I declare that I have no disclosable interests in this matter.

# Summary

The Local Government Act 1989 requires that the details of Councillor Assemblies be reported to Council meetings on a monthly basis.

#### **Discussion**

The State Government has amended the Local Government Act 1989 which requires Council to report on Councillor Assemblies.

Whilst Minutes do not have to be recorded, Agenda items and those in attendance must be, and a report presented to Council.

An assembly of Councillors is defined as a meeting that is planned or scheduled at which at least half of the Council and one Officer are in attendance, and where the matters being considered that are intended or likely to be the subject of a Council decision.

No formal decisions can be made at an assembly but rather direction can be given that is likely to lead to a formal decision of Council.

Details of the most recent assemblies of Council are attached.
