SECTION B – REPORTS

B.15.85 QUARTERLY REVIEW OF FINANCIAL PERFORMANCE AND FINANCIAL POSITION TO 30-09-2015

Responsible Officer: Director Corporate Services
File Number: 42-20-00
Attachments: 1 Statement of Income and Expenditure
2 Summarised Balance Sheet

Declarations of Interest: Officer
David Lenton - as the responsible officer, I declare that I have no disclosable interests in this matter.

Summary

A review of Council's Financial Performance (Income and Expenditure) and Financial Position (balance sheet) to the adopted Budget for the three months to 30 September 2015 has been conducted and the results are summarised in this report.

Discussion

A summarised Statement of Income and Expenditure and a summarised Balance Sheet for the three months ended 30 September 2015 are included with this report.

Major variations to budget as at 30 September 2015 are explained by way of notes on the attached report.

The forecast result is expected to be slightly worse than budget. The predicted surplus assumes that Major Projects and Capital Works during the last nine months of the financial year will be within budget.

Significant forecast variations to budget include:

| | Current Forecast Variances | |
|-------------------------------------------|-----------------------------------|--------------|
| Rates | \$58,000 | Favourable |
| Grants Commission | \$17,000 | Unfavourable |
| Grants expected 2014/15, received 2015/16 | \$62,000 | Favourable |
| Rates Discount | \$20,000 | Unfavourable |
| Loan Interest and Repayment | \$8,000 | Favourable |
| Insurance (net) | \$40,000 | Favourable |
| Livestock Exchange (net result) | \$40,000 | Favourable |
| Public Lighting conversion to L.E.D.'s | \$20,000 | Favourable |
| Employee Costs | \$28,000 | Unfavourable |
| Pools and Leisure Centres | \$32,000 | Unfavourable |
| Recruitment costs | \$30,000 | Unfavourable |
| Parking Fines | \$10,000 | Unfavourable |
| Fuel Tax Credits | \$10,000 | Favourable |
| Other Items (net) | \$23,000 | Unfavourable |

| | | |
|----------------------------------------|-----------------|---------------------|
| | | |
| | \$78,000 | Favourable |
| | | |
| Less: Income owing from 2014/15 | \$88,000 | Unfavourable |
| | | |
| Net Variation to 2015/16 Budget | \$10,000 | Unfavourable |
| | | |

Consultation

Consultation occurred as part of the Budget preparation process.

Financial Implications

The report shows a predicted rates determination surplus \$10,000 worse than budget for the 2015/16 financial year.

Social Implications

Not relevant to this item.

Economic Implications

Not relevant to this item.

Environmental Implications

Not relevant to this item.

Risk Management Implications

The anticipated surplus is subject to income and costs trending as expected over the final nine months of the year. In particular the anticipated surplus relies on the success of the Heartbeat of the Murray Experience.

Council Plan Strategy Addressed

Governance and Leadership - Effective and efficient utilisation of resources.

Options

Nil

Recommendations

That Council note the contents of this report.

**SWAN HILL RURAL CITY COUNCIL
STATEMENT OF INCOME & EXPENDITURE

| BUDGET RESULT SURPLUS | 21,641 | 18,997 | 2,644 | 13.9% | 1,398 | |

- 1 User fees charged for the Consortium Packaged Care members was \$144K below forecast due to delays in funding being received from the Federal Government. User fees at the Pioneer Settlement were \$115K below budget due to the Heartbeat of the Murray still being under construction and not expected to become operational until November.
- 2 Grants for the Consortium Packaged Care program are yet to be received due to funding delays from the Federal Government. Victoria Grants Commission funding was \$517K below forecast due to the receipt of 50% of Council's 2015/16 allocation being received in 2014/15.
- 3 Grant funding for the Robinvale Motorcycle Club Lighting (\$61K) and L2P program (\$47K) have been received upfront for the 2015/16 year. Additional grants have been received for Roadside Weeds and Pests (\$75K), Communities for Children (\$23K) and Lake Baker Road rabbit control (\$17K).
- 4 First instalment of Roads to Recovery funding isn't expected until November.
- 5 An additional contribution of \$30K has been received for the Swan Hill Riverfront Masterplan for an investment prospectus.
- 6 As at 30 September 2015 Council had accrued \$46K of interest income in addition to the \$68K already received.
- 7 Proceeds from the sale of plant and equipment are \$111K below forecast due to a number of vehicle replacements yet to take place.
- 8 Contribution for the Tower Hill Estate development isn't expected until after stage 9 has been completed.
- 9 Payments to the Consortium Packaged Care members are yet to be processed. Refer notes 1 and 2.
- 10 Interest expense on the LGFV loan of \$4.795M is paid six monthly. The next payment is due in November.
- 11 Licence fees for computer software were paid upfront at the beginning of the year.
- 12 Timing issue.
- 13 The significant transfer from reserves is the Victoria Grants Commission prepayment received in June 2015 for the 2015/16 financial year.

| TOTAL EQUITY | 462,454 | 425,012 | 37,442 | 8.8% | 432,166 | |

- 1 Cash and investments are significantly higher than this time last year due to the loan funds borrowed in November 2014 (\$4.795M) and early payment of part of the annual Victoria Grants Commission funding.
- 2 The increase in Property, Plant and Equipment and Infrastructure relates to revaluations that occurred in June 2015.

B.15.86 DRAFT WASTE MANAGEMENT STRATEGY 2015-2020

Responsible Officer: Director Infrastructure
File Number: 00-00-00
Attachments: 1 Swan Hill Waste Management Strategy 2015-2020

Declarations of Interest:

David Leahy - as the responsible officer, I declare that I have no disclosable interests in this matter.

Summary

The Waste Management Strategy 2015-2020 has been prepared by staff for Council's consideration. This review is in line with Council's Key Strategic Initiative and performance target for 2013-2015

This report seeks council's formal adoption of the Draft Waste Management Strategy 2015 - 2020.

Discussion

Council's Key Strategic Initiative 21 "regulation and management of the built environment" required a complete review of the Waste Management Strategy and updated Data in line with current practices, regulations, policies and expiry date of service contracts within the Waste Management Program.

Council's waste management team has been working on the review, update and analysis of own municipal waste data over the past 12 months. Council engaged Blue Environment Consulting to assist in the review and development of a new Waste Management Strategy that is unique to Swan Hill Rural City Council and is in line with current practices, trends, regulations, policies and waste management governance framework.

The proposed strategy is encouraging other Council department's to work with the waste management team towards better outcomes to Council and the whole local community.

Other waste management areas covered in the strategy include; upgrading facilities, investigating resource recovery and waste minimisation to the construction and demolition sector, expansion of green waste collection service and others.

Consultation

The consultant liaised with Council Staff and representatives, Loddon Mallee Waste and Resource Recovery Group to gather information and data that are relevant to the development of the new strategy.

Financial Implications

The operational costs and projects in the Strategy will be funded from within the Waste Management Program.

Social Implications

A pro-active Waste Management Strategy will increase community awareness of the benefits of efficient waste reduction.

Economic Implications

Not applicable.

Environmental Implications

The Strategy will help implement Council's commitment to reduce its environmental footprint.

Risk Management Implications

Pro-active approach helps minimise unforeseen risk and action plans help control existing risk.

Council Plan Strategy Addressed

Built and Natural Environment - Infrastructure that is provided and appropriately maintained in accordance with agreed standards.

Options

Nil

Recommendation

That Council adopt and commence initiating the actions detailed in the Draft Waste Management Strategy 2015-2020.

Attachment

- Swan Hill Waste Management Strategy 2015-2020

B.15.87 ROAD DEVIATION AND LAND EXCHANGE – HAYES ROAD, LAKE BOGA

Responsible Officer: Director Infrastructure
File Number: AST-RD-23031-01/02
Attachments: Nil

Declarations of Interest:

David Leahy - as the responsible officer, I declare that I have no disclosable interests in this matter.

Summary

A request has been received from a developer for a road exchange for the northern part of Hayes Road, Lake Boga.

Discussion

The existing road is poorly constructed in terms of stormwater management.

Roadways are typically used as secondary flow paths in developments and the current road is too high to be used as an overflow.

Bringing the existing road surface lower to provide gravity flow would require an excessive amount of cut and would be inappropriate due to its location in respect of the lakeside face being a culturally sensitive lunette.

The proposed road would reduce the risk of inundation of future private properties and ultimately reduce risk to Council.

With reference to the plan, it is intended that a road exchange be carried out in accordance with Clause 2 Schedule 10 of the Local Government Act 1989. The existing government road will be closed and the new road given government road status.

Council consent is requested for the road exchange.

Consultation

Consultation will be carried out in accordance with Section 223 of the Local Government Act 1989.

Financial Implications

Nil financial implications as all costs are to be borne by developer.

Social Implications

Not applicable.

Economic Implications

The exchange will make the development of the land for residential purposes easier.

Environmental Implications

Not applicable.

Risk Management Implications

Reduces risk of flooding from stormwater.

Council Plan Strategy Addressed

Built and Natural Environment - Infrastructure that is provided and appropriately maintained in accordance with agreed standards.

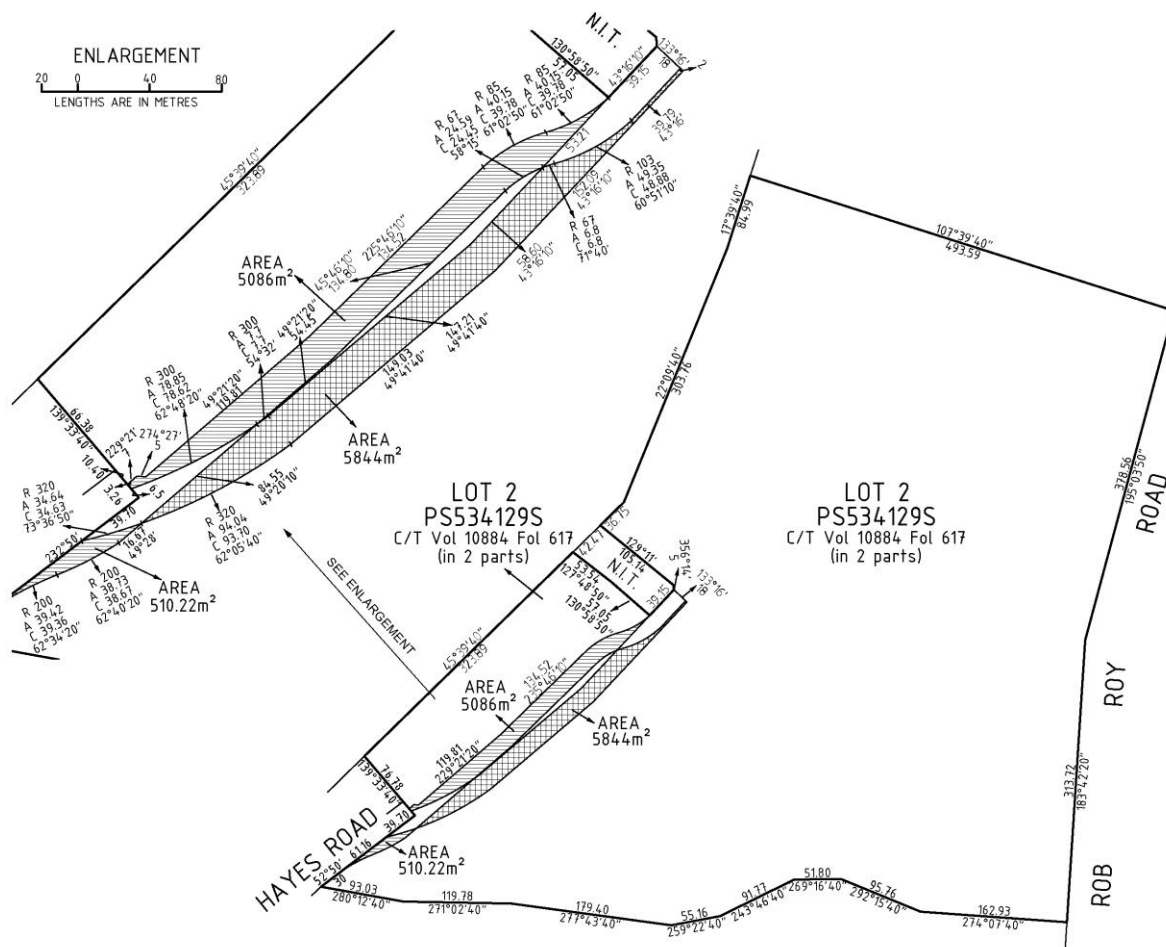

Options

Nil

Recommendations

That Council:

- 1. Proceed with the road deviation and land exchange.**
- 2. Carry out remedial works on existing road to allow for gravity flow.**

Legend

-  Road to be opened
-  Road to be closed :

B.15.88 COMMUNITY GRANTS

Responsible Officer: Director Development and Planning
File Number: 10-15-04
Attachments: Nil

Declarations of Interest:

Adam McSwain - as the responsible officer, I declare that I have no disclosable interests in this matter.

Summary

This report provides Council with information in relation to the 2015-2016 Community Grants Program (Community Development Fund).

Discussion

The Community Development Fund provides up to \$3,000 for eligible community groups to carry out their objectives.

Projects funded may include:

- Structural repairs or minor upgrades to community facilities
- New or upgraded equipment essential to the operation of the community group
- Current OH&S or risk management issues
- New programs or activities within a community
- Minor or local festivals or events that have broad community benefit
- Projects for specific high needs groups
- Projects that promote local sustainability initiatives, environmental innovation, create proud community spaces and promote responsible water usage and conservation.
- Protection, conservation and restoration of heritage items and assets.

A committee comprising of the Director of Infrastructure, Economic and Community Development Manager, Properties and Maintenance Officer, Community Recreation and Grants Officer and a Councillor Representative evaluated all applications against set criteria.

Each application was assessed on its merits and the following factors were taken into account to determine priorities for funding:

- Number of active members
- The immediate and future contribution the project will make to support community development and resilience
- Availability of alternative facilities – Is there other viable options/alternatives?
- Any other evidence of demand – how much is the project needed?
- Long term viability of applicant organisation.

- Level of cash or in-kind contribution – what is the organisation contributing to the project? Are they contributing in-kind?
- Availability of other funding source(s).
- Prior receipt and utilisation of grants – has the organisation acquitted all previous community grants to the satisfaction of Council?

Funding was provided to Community Organisations which met the following eligibility criteria:

- Operate within or provide services targeting people who reside within the municipality
- Are incorporated
- Organisations at least match Council's contribution in either cash or in-kind or a combination of both
- Have a membership of at least ten people
- Operate for the benefit of the community

The 2015-16 Community Grants Program was modified this year with the amalgamation of the Category One and Community Pride categories to form the Community Development Fund. This was due to the lack of applications from the Community Pride category and combining the two categories ensures that all funds can be distributed to the community.

In addition to this, the total pool of grant funds was increased from \$55,000 in 2014-15 to \$70,000 in 2015-16 in order to meet community demand. The provision of grant funds was also raised from \$2,000 in 2014-15 to \$3,000 in 2015-16 so that community groups could complete more substantial and meaningful projects.

This round Council received seventy applications for the Community Development Fund. This is a 35% increase on the total number of applications received in the 2014-15 round where fifty-two applications were received.

Total Applications Received

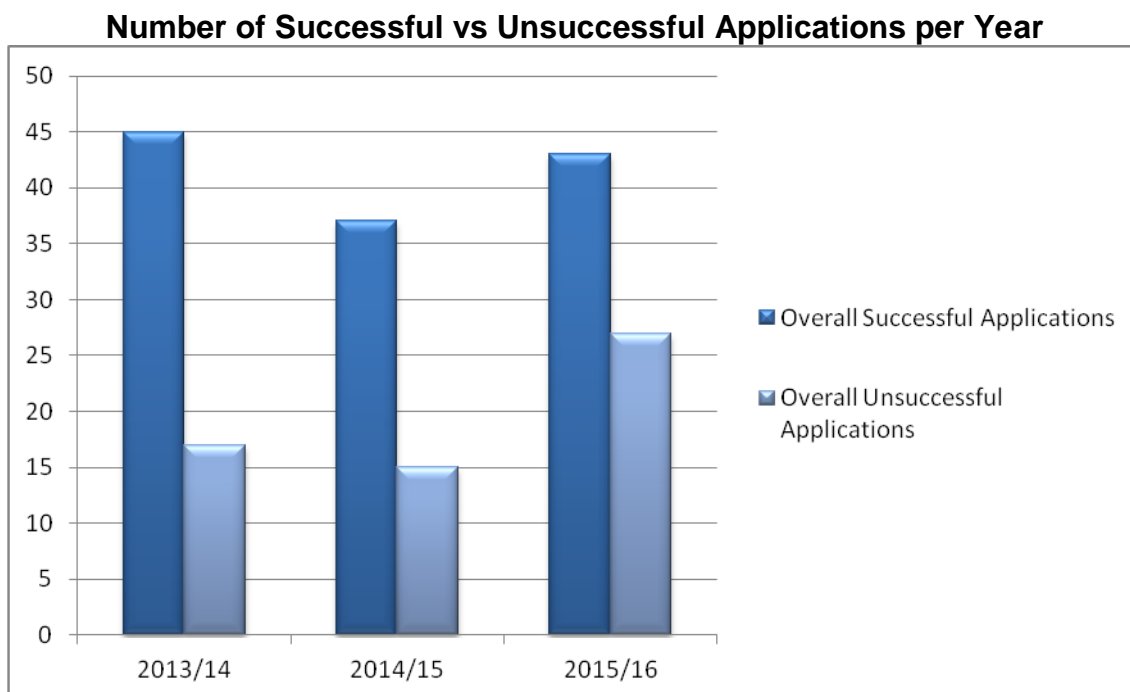

The substantial increase in applications can be attributed to:

- The increase in total pool of grant funds on offer.
- Promotion of the program through Mail Chimp e-newsletter updates.
- The introduction of an online application process.

Although this is the first time applications could be submitted online, a total of 28 online applications (40%) were received. The online application form is easily accessible on the internet, can be completed quickly, offers the ability to upload attachments and is submitted instantly at the push of a button. This proved an attractive method to submit applications. Feedback to date has been positive, however there is a need to enable a save function so that the document can be worked on over time before being submitted. This will be investigated before the next round.

Of the seventy applications received, forty-three (61%) were successful and twenty-seven unsuccessful (39%).

| 2015-16 | Applications Received | Successful | Unsuccessful |
|-----------------------------------|-----------------------|------------|--------------|
| Community Development Fund | 70 | 43 | 27 |

Successful Community Grants Projects

Below are the Community Development Fund approved projects:

| | Organisation | Project Name | Amount Requested | Panel Recommendation |
|----|----------------------------------------------------|-------------------------------------------------|-------------------------|-----------------------------|
| 1 | Pioneer Country Quarter Horse Association Inc. | Horse Yards refurbishment | \$ 3,000.00 | \$ 2,000.00 |

\$ 67,974.50

Consultation

In line with Council's adopted policy on Community Grants, advertisements were placed in The Guardian on 31/7/15, 3/8/15 & 5/8/15 & 7/8/15 and in the Robinvale Sentinel on 30/7/15, 6/8/15 & 13/8/14.

Application forms were available for collection from the Swan Hill Region Information Centre, Robinvale Resource Centre, could be downloaded or completed and submitted online on Council's website.

Financial Implications

Council set aside approximately \$70,000 for Community Development Fund. The panel approved \$70,770 in grant projects.

There is also \$5,000 allocated to the Community Support Fund which is used for incidental community activities over the balance of the year. Applications can be made at any time during the year for up to \$200 for support for approved projects.

Social Implications

By providing funding for projects under the Community Grants program, we will foster stronger communities in our municipality. The successful operation of our community organisations and clubs play a vital role in ensuring a vibrant and healthy community.

Community organisations will be able to undertake minor upgrades to facilities, purchase necessary equipment or hold events which will provide adequate meeting spaces for members and opportunities to attract new members. This will result in increased participation, health and fitness, social gatherings and interaction.

Economic Implications

Funding through the Community Grants program will assist clubs and organisations to become adequately resourced to hold events and reduce financial pressure to maintain club facilities and equipment.

By assisting clubs and organisations to host events we are facilitating economic growth in our region. New or smaller events generate feelings of social inclusiveness and belonging and there is potential for small or new events to gain momentum and become a significant economic contributor.

Environmental Implications

In 2015-16, the protection, conservation and restoration of heritage items and assets was added as an eligible type of project to enable community groups to preserve and maintain items of historical and environmental importance. Funding is also open for

projects that promote local sustainability initiatives, environmental innovation, create proud community spaces and promote responsible water usage and conservation.

Risk Management Implications

Nil

Council Plan Strategy Addressed

Community Wellbeing - Community services that are efficient and responsive to needs.

Options

Correspondence has been sent to all successful and unsuccessful grant recipients advising them the result of their 2015-16 Community Development Fund submissions. Applicants were also advised there is an embargo on the publicity of the grant outcome until after the Council Meeting on 17th November 2015.

Recommendation

That Council endorse the 2015/16 Community Grants Program successful and unsuccessful grant recipients.
