**SECTION A – PROCEDURAL MATTERS**

- **Open**
  
- **Acknowledgement of Country**
  
- **Prayer**
  
- **Apologies**
  
- **Declarations of Conflict of Interest**

## **RECEPTIONS AND READING OF PETITIONS, MEMORIALS, JOINT LETTERS AND DEPUTATIONS**

### **PE.20.1 OUR PLACE DEVELOPMENT**

**Attachments:** 1 Two Petitions

#### **Declarations of Interest:**

Heather Green - as the responsible officer, I declare that I have no disclosable interests in this matter.

On 28 January 2020, Council received, by hand, two petitions in relation to the development of Our Place at Horseshoe Bend, Swan Hill. The two petitions (one was a printed version of an online petition and one was a paper petition) are similar and ask the following of Council:

#### **Petition number 1 – Online**

*“Swan hill Rural City Council is planning to destroy our history with a multi storey concrete structure to house art gallery, information centre and a entrance to whatever is left of the pioneer settlement. Also cutting off the Gem from the rest of the settlement the train has to be re located a option they had floated was to give it away and recipient pay relocation costs the rose garden and wind mill would be relocated.*

*This is a heritage precinct and is no place for such a structure”*

#### **Petition number 2 - Paper**

*“We urge the Swan Hill Rural City Council to abolish the proposed ‘Our Place’ Building in the grounds of the Swan Hill Pioneer Settlement. We believe ‘Our Place’ will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlements grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultation with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of “Our Place”. We need detailed plans, financial projections and Councils absolute openness and full disclosure to the community before any works proceed.”*

Both petitions have similar requests of Council regarding the development of “Our Place”, a new building at Horseshoe Bend that is to house the entrance to Pioneer Settlement and Heartbeat of the Murray, Visitor Services, Art Gallery and a new Aboriginal space.

The normal practice for the consideration of petitions is to receive the petition at a Council meeting and then consider its request at a future meeting. It is proposed

that the consideration of these petitions' requests will occur at the March Ordinary Meeting of Council.

One of the key concerns from community members is their desire for more information about the project and to be provided the opportunity to have a say. It is therefore considered prudent that additional community engagement about the building be undertaken immediately.

The following is the program proposed for the four weeks commencing 12 February.

**Engagement Program- sharing facts and listening to suggestions and concerns**

**1. Our Place frequently asked questions section updated on Council's website this will include the ability for questions to be logged and responded to.**  
From Wednesday, 12 February.

**2. Information and feedback sessions - dates and time to be finalised**

Saturday, 15 February – 2pm  
Monday, 17 February – 7pm  
Wednesday, 19 February – 12pm  
Friday, 21 February – 7am  
Tuesday, 25 February – 6pm

These sessions including venue locations will be advertised via a media release to all local media, Council's social media channels, ads in The Guardian and via email to key stakeholder groups.

**3. Coffee with a Councillor** - Saturday, 29 February at Riverside Park, giving people another chance to talk to Councillors about this project.

**Recommendations**

**That Council**

- 1. Receive the two petitions**
- 2. Carry out additional community engagement as outlined in the report.**
- 3. Request the CEO prepare for the March Ordinary meeting of Council a report on the petitions' requests and the outcomes of the engagement program.**

## Comments

Name	Location	Date	Comment
Leanne Egan	Swan Hill, Australia	2019-12-14	"I believe that the history of this is very meaningful to our community. Also the amount of money you want to spend could go to countless other things needed in this community. Myself and my children have wonderful memories of this. It's so unfair for you to take that away. Information Center doesn't belong there. Wow the one we have is newer than the medical service we have ???"
Helen Bennett	Australia	2019-12-14	"The Pioneer Settlement is the wrong place for a modern building. Leave the Settlement as it is and build the monstrosity elsewhere"
Cheryl anne standen	Australia	2019-12-14	"It a monstrosity , and not appropriate for the settlement or swan hill."
Bianca Lowe	Australia	2019-12-14	"I would like to see the train stay in swan hill"
Leonie HYLAND	Swan Hill, Australia	2019-12-14	"The train needs to stay where it is,the information centre is better staying where it is.If we move it tourists won't be able to find it and then they will just keep driving instead of stopping"
Janice Shepherd	Australia	2019-12-14	"I'm signing because we can't afford to lose anymore of our history. If it has to move just put it in a different part of the Settlement."
Caro Sutt	Australia	2019-12-14	"My family Volunteered at the Pioneer settlement because it was the Pioneer settlement and now it's going to be ruined by some of our council members get a life"
Geraldine Todd	crawley, England, UK	2019-12-14	"I am a pommie who believes you need to keep as much of your history safe not only for future generations but also it generates places of historical interest for overseas visitors"
Mark Blackman	Boronia, Australia	2019-12-14	"My father drove the locomotive into the settlement. D3's were the backbone of the Victorian Railways and ran "The Great Northern" to Swan Hill for many years"
Verna French	Swan Hill, Australia	2019-12-14	"I wish to see history preserved and "Our Place" sited away from the Pioneer Settlement. The present Tourist Information Center is well located and does not need to be moved."
Lisa-ann Moor	BARMAH, Australia	2019-12-14	"The train and the rose garden were the reason we got married there."
Kristy Hickox	Melbourne, Australia	2019-12-14	"A modern building would be an eye sore near The Pioneer Settlement! It would dampen the "Vibe" of this historical tourist attraction. Leave the train! Leave the Tourist Information Centre at it's current location. Listen to the people of the Swan Hill Community and Surrounds, afterall they are the people you are representing!"
Colleen Crossfield	Australia	2019-12-14	"Because what is proposed is a wicked waste of money for a community that does not want their train removed for s monstrosity of a building to be built which will ruin the area of the pioneer settlement by arrogant councillors who believe they know best"

Name	Location	Date	Comment
Megan Huynh	Tarneit, Australia	2019-12-14	"I lived in Swan Hill for 25 years and still visit Swan Hill around 6 times per year to visit my parents whom still live in the town. We attend the Pioneer Settlement at least 4 times per year with our 3 children. The thought of putting a modern building in an attraction trying to showcase an historic way of living is abhorrent. And to give the train away is a ridiculous idea. Time for some new councillors for the Swan Hill area, the current ones are obviously not in touch with the ratepayers opinions."
Nickie Davis	Australia	2019-12-14	"It should stay where it is"
Sally Joslyn	Bannerton, Australia	2019-12-14	"I don't believe this is the right place for a 'modern' building. Keep your history Swan Hill Rural City Council, once it's gone you can't get it back"
Geoff Smith	Australia	2019-12-14	"A modern concrete building is not appropriate for a heritage precinct. Additionally the current information centre site is easy to find for visitors, plus being on the highway encourages those who planned to travel through to perhaps stop and stay."
Bernadette Pell	Australia	2019-12-14	"I think the current Pioneer Settlement blends in well with the surrounding riverside bush and a multi-storey building would be inappropriate and jarring."
BEV POLLARD	Australia	2019-12-14	"I don't agree with moving the train and proposed new visitor centre should not be located at the pioneer settlement. Why ruin one of the only reasons people come to Swan Hill there's not much else here for them unfortunately."
Vicki Parsons	Swan Hill, Australia	2019-12-14	"The Pioneer Settlement needs to remain a historical precinct. The new building would be perfect opposite the police station (if the land is available)."
Rebecca Rae	Chiswick, Australia	2019-12-14	"If Katie supports it - I will too 💎"
shelley webster	Australia	2019-12-14	"I believe the council are not doing the right thing, the designated area is wrong, information centre should be in the centre of town or many other, more suitable areas that would serve the town better, giving our train away is shocking, can't believe there isn't a location to keep this piece of history local."
Wright Pete	Australia	2019-12-14	"Pioneer museum is a rare gem. Don't screw with it."
Donna Rullo	Australia	2019-12-14	"Leave that beautiful train where it is."
John Penver	Austin, TX	2019-12-14	"I loved that place as a kid and they should preserve it the way it is"
Chelsea Macfarlane	Swan hill, Australia	2019-12-14	"I want to be able to bring my kids one day to be able see things that remember being so cool when I was little"
James Burge	Melbourne, Australia	2019-12-14	"Jim Burge"
Jayne Watson	Robinvale, Australia	2019-12-14	"I believe the space around the train is a great grass area for sitting and for kids to run around. If this area is taken up by

Name	Location	Date	Comment
			another building it will make the Pioneer Settlement even more claustrophobic. Money would be better off spent on making it like the glory days and have the shops in working order with stage shows on in the streets during the holidays!"
Lyndal Taylor	Australia	2019-12-14	"I believe this brand new building is going to spoil the heritage of the Pioneer Settlement and I think the train, windmill etc should stay where they are. This is a part of our History."
Nita Osborne	Australia	2019-12-14	"This needs to be left alone. The Pioneer Settlement is a place for our kids to learn about our history. Don't ruin it by getting rid of iconic relics that should be treasured! I'm in my 50s and grew up with these items on display. My children love them too. Leave them alone!"
Michael McKay	Australia	2019-12-14	"The train holds big memories"
Shane McKay	Australia	2019-12-15	"Part of the that belongs in the present and future and right where it is!!!!!"
Michelle McEwan	Australia	2019-12-15	"History and heritage of our regional areas needs to be preserved for future generations"
Joan Vivian	Australia	2019-12-15	"The train should stay and this is no place for a modern building as proposed in the Pioneer Settlement. The information centre needs to be accessible to tourists arriving into town and what is wrong with expanding the art gallery where it is now?"
Daniel bowen	Australia	2019-12-15	"I grew up in the area and loved going there. I would like take my kids and show them some of the amazing history of the old days"
Olivia Harding	Bendigo, Australia	2019-12-15	"We need to keep our heritage and history."
Leeanne Hodge	Australia	2019-12-15	"I think it is the biggest mistake the Swan Hill council will ever make, apart from skimping on the drag strip that is"
Louisa Clifford	Australia	2019-12-15	"We don't want to loose our local heritage. Too much has been lost already. Concrete structures don't belong in a heritage park."
ann grant	Australia	2019-12-15	"The train is as much a part of the Pioneer Settlement as the rest of the buildings. I remember having picnics as a kid, 40 years ago, sitting beside the train. Leave it alone"
Jacquie Kelly	Northcote, Australia	2019-12-15	"This is a crazy plan."
Julie Peach	Australia	2019-12-15	"I can't believe that the council in their wisdom would even think about removing it let alone give its away, its not acculy theirs to give away. But they did put that oversized monstrosity of a fish at the rail raw station. Thank goodness I don't have to catch the train any more to visit.The settlements train has seen lots of children to play on it, I have happy meormies & I want to bring my children to play on it as well, so leave the dam train were it is."
Clair Bates	Giza, Australia	2019-12-15	"I support Glenda"

<b>Name</b>	<b>Location</b>	<b>Date</b>	<b>Comment</b>
Margaret Scala	Swan Hill, Australia	2019-12-15	"We have already lost too much of our Heritage, e.g. Military Museum, Clock World etc. we must keep the engine."
Stephen Hayes	Koraleigh, Australia	2019-12-16	"Because it should not be moved. It is one of the first items to be put at the Settlement!"
Liz Kelly	Melbourne, Australia	2019-12-16	"The Pioneer Settlement precinct along the MURray River bank is an amenity that should not be obscured by a large construction. The views to the river will be impeded and spoiled . The locomotive should not be moved."
Lisa Ashdown	Woorinen, Australia	2019-12-17	"The train has been part of the settlement since it started and Swan Hill should be able to move it somewhere else in the town. Also the new building will look so out of place with the old buildings nearby."
Karen Jones	Highett, Australia	2019-12-17	"Born in Swan Hill and continue to return with my children, build the structure somewhere else, there's plenty of space. The train stays, we have family photos from 50+ years ago and many family friends-crazy proposal"
Tarin Tants	Swan Hill, Australia	2019-12-17	"I remember when i first seen this place on grade 3 camp and this train was the highlight of the camp, and now i have a family here. Not to be scrapped"
Lilly Slater	Swan Hill, Australia	2019-12-17	"Our past and our history need to stay in Swan Hill and we do not need a modern architectural monstrosity in the middle of our heritage park. This building belongs somewhere else."
Sharon Thomas	Lake boga, Australia	2019-12-18	"Sharon thomas"
Sharon Thomas	Lake boga, Australia	2019-12-18	"Our train, our history. No modern building in a heritage museum, dont need new art gallery, or info centre. utilise across the little bridge for indigenous history."
Susan Gargaro	Hay, Australia	2019-12-18	"History right there!!! Too much history is being lost or destroyed because they want to replace it with the new!!! Leave it there."
Suzanne Donnelly	Australia	2019-12-18	"Let's keep history here in Swan Hill. We don't need to give such valuable items away."
Dianne Wright	Swan Hill, Australia	2019-12-18	"That building is unnecessary and an eyesore and has no place in an historic display. We already have an information centre and an art gallery"
cathy cook	Australia	2019-12-18	"Keep the heritage and listen to your community"
Kerrie Lockwood	Kangaroo Flat, Australia	2019-12-18	"So many glorious games of pretend by so many children have happened on this train. Swan Hill Council don't be wowers and destroy part of our heritage with your lack of concern for our heritage."
Karen Shoesmith	Australia	2019-12-18	"haven,t you done enough."

Name	Location	Date	Comment
Reggie Steff	Australia	2019-12-19	"I believe the train should be kept in the settlement and the information centre is already in a perfect spot in town , the money should be spent restoring the train ."
Gillian Williams	Australia	2019-12-19	"i'm signing because the Settlement should remain in it's original format. It has become too modern."
Gillian Williams	Australia	2019-12-19	"I wish to add my neighbours John Williams & Aileen Williams on the petition"
Karen Shean	Australia	2019-12-19	"Seems a shame to lose our heritage items."
Graham Hickey	Australia	2019-12-20	"The proposal to build the new building is in the wrong area, & will cause the removal and or shifting of our steam train etc. etc."
Cate Jarrett	Australia	2019-12-21	"The train needs to stay where it is, we don't need a big modern ugly building that doesn't suit the historic settlement. This new building is too modern for this area and will ruin the settlement forever."
ken sutton	Australia	2019-12-21	"the train is part of our history and belongs were it is"
Colin Meier	Australia	2019-12-21	"They should leave thing as they r , city council members nothing but morronsbut like all government partys how much under the table money is there that we dont no about but u can tell how much by there blow out figure"
Tracy Williams	Australia	2019-12-21	"I'm signing this because we need to keep the history of the pioneer settlement going to show how our older generation work without all the technology that we have today. Exspecially because most of the kids these days have it really good and easy in life"
aaron wayne goldsmith	Australia	2019-12-22	"aaron w goldsmith"
Karen Notting	Australia	2019-12-22	"It is called the pioneer settlement for a reason it is part a very big part of the history of our past leave our train alone."
Allan WARD	BEAUMONT, Australia	2019-12-25	"There is more history behind this locomotive than any stupid art show - we need to keep it where it has been for ages. Put the ART show behind the Council chambers so they can gloat over the monstrosity they have created. DO NOT destroy our rail history !!!!!"
Kerrena Spall	Fitzroy, Australia	2019-12-25	"Reason as to why I signed this petition. I grew up in Swan Hill. And I could think of no other community that I would rather belong to.Swan Hill is in the blood.My parents and related family members settled here, worked here , so now the 3rd generation is here and so will the 4th and so on.So yes it's important to have our say.I remember when I was a kid growing up, and so many good memories of things in Swan Hill. I remember the first time I visited the pioneer settlement, and saw the train, as a kid it was Wow! A big train that I could climb on, and it's part of a train that you don't get the experience to be on or look at.You take this train away, many kids will loose that experience, and the joy that a kid has ,if it's moved from where it is.Then so many people that visit the pioneer settlement also take pics of their kids on the train and

Name	Location	Date	Comment
			even themselves. Moving the train from where it is will not enhance the settlement, I think it will be another down grade by doing this action.I remember when the pion"
paul dossett	Australia	2019-12-26	"Leave the train there it's apart of the Australian history"
Jim Evans	Australia	2019-12-26	"Its a pioneer settlement not a Melbourne based headquarters."
C.J. ELLIS	berringa, Australia	2019-12-26	"<a href="mailto:cjelbronco@gmail.com" rel="nofollow">cjelbronco@gmail.com</a>C.j.eLLIS"
greg o'brien	kyneton, Australia	2019-12-27	"I'm sick of council's in Victoria doing horrible things to communities in the name of development."
Paul Walsh	Australia	2019-12-27	"Leave or history alone. Fix some of the other issues in the town like building a decent bridge over the Murray river like should have been done 20 years ago. This town should be as good as Echuca but has fallen way behind."
Mick Graham	Australia	2019-12-27	"My family's history is represented there"
Cindy Brunning	Chillingollah, Australia	2019-12-27	"I think the train should stay where it is. Its become iconic to the Pioneer Settlement and is something people remember from when they were young. Council should leave the whole area alone!"
Patricia Salau	Swan Hill, Australia	2019-12-28	"Locally relevant historic locomotive train should stay on prominent display at Swan Hill Pioneer Settlement. Proposed site of modern, double-storey building is inappropriate alongside PS Gem. Should put proposed building at entrance to Swan Hill - on VACANT, highly visible land of former Golf Course - where existing public Seats, Toilets and Vehicle access from busy highway can welcome tourists and locals alike?"
Patricia Salau	Swan Hill, Australia	2019-12-28	"Thanks for your candour, your honest, emotional post speaks for me and many people I know! Swan Hill Pioneer Settlement was established to preserve and offer a heritage park with historic buildings & "living history" of Mallee pioneers - that atmosphere brought hundreds of thousands of tourists who enjoyed the experience. In my opinion, any proposal to build a huge, ultra-modern new modern structure at Pioneer Settlement not to mention alongside historic PS Gem, is absolutely inappropriate."
Kevin Holt	Australia	2019-12-28	"I don't believe this building fits the Pioneer Settlement precinct."
Julie Mangan	Torquay, Victoria, Australia	2019-12-28	"Don't scrap what's left of our history."
Arthur Simmoms	Australia	2019-12-28	"This council could spend the millions of dollars listed on fixing there mistakes or even building a bridge thats needed more then some art gallery"
Sherrie Guy	Tatura, Australia	2019-12-30	"I grew up in the region and was a regular visitor to the Pioneer Settlement/Folk Museum. The train is iconic and must remain as a part of this tourist attraction."

Name	Location	Date	Comment
Sandra Holloway	Australia	2019-12-30	"The pioneer settlement is not the place for a modern concrete eyesore! The settlement is there to educate our children and grandchildren about the hardships our ancestors faced and the ingenuity they employed to settle this area."
David Redfearn	Northcote, Victoria, Australia	2019-12-30	"No problems with the idea of the centre but this is completely the wrong way to do it and would compromise the very values of this wonderful heritage park."
John Washington	Australia	2019-12-30	"It is a fantastic park with a lot of heritage leave it alone or move the steam train inside the park for future generations to admire"
Heather Riley	—, Victoria, Australia	2019-12-30	"Swan Hill has already lost too much of its heritage."
Karen Gillbee	Australia	2019-12-31	"Please leave the Pioneer Settlement and the train alone. I grew up in Swan Hill and remember going to the settlement as a young person, being interested in the history of our pioneers, I was so fascinated. We have an information centre and an art gallery already, what is wrong with these buildings now. The information centre is in the perfect position in my opinion and so is the art gallery. LEAVE THE PIONEER SETTLEMENT ALONE."
Melissa lette	Mount Pleasant, Australia	2019-12-31	"I love it there, I used to work in the bakery when I was a teenager. It's a fabulous place so don't touch a thing!!!"
Anne Jeffrey	Melbourne, Australia	2019-12-31	"Is this council insane???"
Sandra Pinn	Australia	2019-12-31	"As a previous rate payer of swan hill I am disgusted that council would do this. Stop ruining the heritage."
Karyn Burkett	Australia	2020-01-01	"The pioneer settlement is swan hill history by building a completely futuristic modern building on site will destroy the charm of the settlement"
Dee OPIE	NEILBOROUGH, Australia	2020-01-01	"I believe that the Pioneer Settlement requires a major overhaul and I do not believe that a large multi storey concrete building is going to enhance the history area for the Swan Hill region. WTF Swan Hill Rural City Council? Seriously - open the gates and tear down the fence and allow the history to be shared and enjoyed by ALL!"
Susan Shields	Australia	2020-01-01	"We need to enhance what we have, not loose it"
Susan Boyd	East Burwood, Australia	2020-01-01	"The only way to achieve progress is to understand your history. Swan Hill Pioneer Settlement is great example of OUR history!"
BEVERLEY HARBINSON	Robinvale, Australia	2020-01-02	"Once again, lack of proper community consultation (a BIG failing of SHRCC) a push for a totally inappropriate, very expensive building at an iconic place and discussions about moving a heritage item and possible destroying others - good luck with plans to have it halted."
Shelley Delaland	Australia	2020-01-02	"I am signing because you will turn pioneer settlement into Echuca port a ghost town. We come to see the heritage not a concrete

Name	Location	Date	Comment
			building. Keep the heritage if you must build, build it to look old please."
sarah everett	Australia	2020-01-03	"This must stay as part of our history."
Bianca Walker	Gold Coast, Australia	2020-01-04	"Leave our Pioneer Settlement alone!"
Jennifer Browning	Australia	2020-01-07	"My grandfather Wilfred Manning loved & worked at the pioneer settlement & I have so many childhood memories of it. Please don't change it!!"
sonia pitts	Australia	2020-01-08	"Sonia Pitts"
Helen Kelly	Australia	2020-01-08	"This needs to stay so that visitors to the area will be interested in the history"
Meeks Hammond	Swan Hill, Australia	2020-01-08	"Swan hill has bugger all for tourists and locals so why the hell get rid of something so iconic"
Rhonda Brown	Nyah, Australia	2020-01-08	"Fed up with councillors doing as they please with rate payers money. The Pioneer Settlement need to expand all the way to the bridge and opened up to the public."
Debbie Edelsten	Australia	2020-01-08	"The train needs to stay and the design f the new building doesn't fit in what th the Pioneer Settlement. There is nothing wrong with the current Art Gallery and the information centre needs to be in centre of town"
Carol Richter	Gracemere, Australia	2020-01-09	"I grew up in the area and this monstrosity does NOT belong in the pioneer settlement"
Wendy Yates	Australia	2020-01-09	"Crazy idea."
Ainsley Magee	Australia	2020-01-09	"I started this petition and fb group in early December . I am proud of the community for taking a stand and telling council this is NOT 'OUR PLACE' We want our the trian in to stay exactly where it is I have memories of climbing all over it when I was a 6 yo And being told by my father the community effort I the was to get the GEM and locomotive on site . I Strongly believe this is worth fighting for . This locomotive served us for decades connecting us to the world for freight and passengers it is Not in that is in the way for something we don't want."
Tania Anderson	Pascoe Vale, Australia	2020-01-09	"It is not place for a concrete structure - we must embrace the history of Swan Hill"
Peter O'Shannassy	COROWA (2646), Australia	2020-01-10	"I have always found the pioneer settlement was the one unchanging reminder of our past to destroy it would be criminal"
chris tame	Jerangle, Australia	2020-01-10	"I dont want the train to be moved"
Clinton Edge	Melbourne, Australia	2020-01-10	"It's A great historical marker for our town"

Name	Location	Date	Comment
Mimi Ingram	Australia	2020-01-10	"That's where I grew up, it's part of my family and part of what I know as swan hill"
Brooke Wilkinson	Swan Hill, Australia	2020-01-11	"It's beautiful where everything is now. Leave it alone!"
Luke wilkinson	Australia	2020-01-11	"It's swan hill history leave it alone"
Susan Bennett	Bendigo, Australia	2020-01-14	"I believe the Swan Hill council can find another location for the Our Place plan, as part of the river precinct, without damaging the beloved Pioneer Settlement."
Saffron Dawn	Melbourne, Australia	2020-01-15	"becoz i support the history of the settlement"
lois pickering	Australia	2020-01-16	"because I care"
Ric Kaye and Lara Mancinelli	Wood Wood, Australia	2020-01-17	"We were married here in 1999 and don't want to see it ruined. Total eyesore, that is a waste of money."
Janelle Blight	Geelong, Australia	2020-01-19	"When I lived in Swan Hill would go there nearly every day either during or after school. Don't move the Gem or the train it will be ruined."
Liam Grimwade	Australia	2020-01-19	"It's important to remember history to much is being taken by greedy developers"
Judy Gay	Australia	2020-01-20	"Judy Gay"
Teresa Coburn	Melbourne, Australia	2020-01-20	"Train needs to stay, swan hill has got to stop removing heritage buildings etc, train is where it belongs"
Nicole Barbe	Sydney, Australia	2020-01-21	"We love the Swan Hill pioneer settlement. modern buildings yuk . Only build on existing ones. Don t lose any heritage items. Tech is nice but isn't everything, we need to know how things were. We loved the night ghost tour they used to do, a friendly town. Needs more trees lining streets. Love Nicole n Dion."
Christine DalNevo	Sydney, Australia	2020-01-21	"We loses enough of our past heritage without city counsels decideing that they need to look at something more modern, if it's designed by council it will probably be an eye sore."
Jodie Creasey	Australia	2020-01-21	"Just leave it as is!Move the new building somewhere more appropriate and leave the history and heritage of Swan Hill as it is!"
Mark Brown	Merrylands, Australia	2020-01-21	"The poineer village is important for preserving our history"
Alicia martin	Sedgwick, Australia	2020-01-21	"I love Pioneer Settlement. We have visited several times from Bendigo with family and friends. We are always telling people how great it is there."
kate Johanson	Mordialloc, Australia	2020-01-21	"Really can't you build this somewhere more appropriate"

<b>Name</b>	<b>Location</b>	<b>Date</b>	<b>Comment</b>
Ian Bennett	Prahran, Australia	2020-01-21	"I'm signing becauSe I have fond memories of visiting the Pioneer Settlement as a kid, and some things should remain the same."
morris steicke	Australia	2020-01-21	"The train must Stay where it is!"
Tandra Sawyer	Moe, Australia	2020-01-22	"I love the history of the pioneer settlement and a modern building will ruin it."

Mr John McLinden  
Chief Executive Officer  
Swan Hill Rural City Council  
P.O. Box 488  
Swan Hill VIC 3585

Dear Mr McLinden

“Our Place” Plan, Pioneer Settlement, Swan Hill

On behalf of the people opposed to the building of “Our Place” within the grounds of the Pioneer Settlement, I hereby enclose Petition sheets, signed by all who oppose this project. The Paper Petition contains 1437 signatures, Change.org petition contains 1672 signatures. The petitions combined contain a total of 3109 legitimate signatures and a list of those names is also enclosed.

Some thirty one (31) names are illegible and Seventy Three (73) have signed more than once, these are not included in the total count, this list is included.

This petition and all of its pages remain the property of Ainsley Magee and David Quayle, please advise when you have verified the petition and advise us when we may collect it from your office.

Please accept this petition and advise Council the number of people who object to this building being constructed within the Pioneer Settlement Grounds

Yours Sincerely

Ainsley Magee

Verified by *NORMAN C. MATHISKE JP 9956*  
*Norman Cedric Mathiske*

A JUSTICE OF THE PEACE FOR VICTORIA  
Reg. No. 9956  
Norman Cedric Mathiske  
6/269 Beveridge St, Swan Hill, 3585

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer Settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer Settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

41 ~~40~~ ~~P. Potter~~?

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer Settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer Settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRC before making any more decisions concerning the position of "Our Place". We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.

	MIKE TURNER	SWAN HILL	—	Y
	Rachel Williamson	43 Kuma St S/H	—	Y.

We urge the Swan Hill Rural City Council to abolish the proposed "Our Place" modern building in the grounds of the Swan Hill Pioneer Settlement. We believe "Our Place" will destroy the historic visual aspect of the landscape and ruin the overall important authenticity. It will also mean the removal of vital exhibits presently accessible within the Settlement's grounds. This includes the historic Steam Train, an attraction greatly revered by generations of local and district adults and children. Council should conduct far more extensive consultations with the residents and ratepayers of the SHRCC before making any more decisions concerning the position of "Our Place" We need detailed plans, financial projections and Council's absolute openness and full disclosure to the community before any works proceed.
