

Caravan Park

Installation Certificate for an Unregistrable Moveable Dwelling or Rigid Annexe

Residential Tenancies (Caravan Parks and Movable Dwellings Registration and Standards) Regulations 2020

Council's written approval is required for ALL on-site developments in Caravan Parks prior to the works being carried out. Submission of this Notice does not replace the requirement to obtain relevant Planning and Building permits. This form must be submitted to Council not less than 7 days following installation.
