

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 9th July 2020

A much reduced yarding of only 2752 head, due to recent price reductions, saw lambs sell to solid demand. A full field of buyers plus two extras at the rail saw Heavy Lamb quotations ease \$10/head across the board. Light Trade Lambs with cover sold firm to \$5/head cheaper while plainer types sold \$5/head to \$10/head cheaper. Very few mutton yarded averaging at \$137/head topping at \$166/head.
