

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 1st of July 2020

A slightly increased number of cattle flowing through the yards after a month of declining yardings was encouraging. Cows made up a significant portion of the yarding and were in strong demand with quotations finishing up 10c/kg better than our previous market. Heavy grown steers & heifers sold softer by 10c/head to 15c/head with meat buyers looking to fill orders with lighter stock. All young categories remained well supported with a line out of Speed topping at 549.6c/head.
