

Swan Hill Regional Livestock Exchange
Prime Sheep & Lamb Sale 30th September 2021

Swan Hill Agents yarded just over 6800 head this week in a sale influenced by the wet conditions. Most of our regular buying group attended and were fully active in a generally plainer sale when compared to last fortnight. Sucker Lambs dominated the head numbers however sold cheaper by \$10/head to \$15/head. Old season lambs were back \$10/head while the lighter portion quotations remained firm. Mutton made up mostly of shorn Merinos, eased up to \$10/head to \$15/head with the quality playing the biggest factor in price.
