

Swan Hill Regional Livestock Exchange

Prime Sheep & Lamb Sale 4th March 2020

Agents offered only just over 4300 at this week's Sheep & Lamb market in Swan Hill. With stock starting to show signs of the drying conditions with lambs coming off stubble quality was a factor in quotations easing across most categories. Across the board the market eased \$10/head to \$15/head with the small Mutton offering showing the most resilience remaining mostly firm on last fortnight.
