

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 17th of November 2022

Total Yarding of **612** head

Good yarding of cattle. More Friesian and crossbred steers forced out by flood water bolstered numbers. Quality across the board. All classes saw prices soften with some up to 60c/kg per head less than previous cattle sale reflecting the trend of the industry recently.

Did you know...

Cows are highly curious and like to play; they can, and will, mess with a float causing a trough to overflow and flood an entire pen in less than 5 minutes.

They can get bored easily when confined which can cause them to get aggressive towards each other and destructive to their enclosure.

Cows can be quite challenging.
