### Did you know?

So far this financial year 0.3% of Sheep delivered to SHRLE have been unfit to load.

Mostly due to old injuries, deformities or lameness. By consigning these animals to our Saleyard you are potentially committing an offence under the Livestock Disease Control Act. Animal Welfare starts on farm.

Please follow the below link to view the Glovebox Guide. Biosecurity, Emergency Animal Diseases & Preparing livestock for transport. This guide was released by MinTrack in May 2021 & is an excellent guide when selecting livestock to consign to a Saleyards.
