Do not amend the pre-printed PIC. This NVD can ONLY be used for cattle located on this PIC.

Complete all details about the livestock, who they are consigned to and their destination. Use a separate line for each different group, split by breed and sex.

Contact receiver, agent or salesyards to find out correct destination PIC.

Only tick Yes or No in questions 1 to 8. Do not tick both.

If some of the consignment require you to tick Yes then this applies to the entire consignment.

If your PIC has had an Extended Residue Program (ERP) status (e.g. EW, OC or CT) in the past 6 months, tick Yes.

Do not send cattle to slaughter if they are still within Withholding Periods (WHP) or Export Slaughter Intervals (ESI).

Information about all ESI and WHP for all livestock species can be found at www.apvma.gov.au/ESI

Make sure you read and understand what you are signing, including that cattle must not have been fed Restricted Animal Material (RAM).

An unsigned LPA NVD is invalid.
