

Swan Hill Regional Livestock Exchange

Prime Cattle Sale 17th of June 2020

With local herd numbers narrow Swan Hill Agents yarded 285 head for this week's Prime Cattle Market. Re stocker confidence remains high despite minimal rainfall across the region and ensured our full complement of buyers attended. High prices continue to boost producer confidence, limit herd liquidation & accelerate producer rebuilds. Quotations remained strong across categories under 450kg & cows dominated by Dairy types. Gains were less obvious across heavier categories. Steer Vealers averaged 15c/kg better, Yearling Heifers 18c/kg better, while the limited supply of Heifer Vealer average increased by 29c/kg.
